## INTRODUCTION

Our all-inclusive 6-day resort based tour is ideal for those who appreciate a hot shower, fine dining and a comfortable bed after an active day in the outdoors. Each of the featured resorts boasts unique features: Comfortable Tongan Beach Resort with harbour views, snorkelling at your doorstep and friendly Tongan staff; Mandala eco resort situated amongst casuarina trees atop a private island with views of the eastern island chain. Experience the Vava'u Islands, Tonga's jewel in the King's crown.

Spread across 700,000 square kilometres of ocean, just west of the International Date Line and east of Fiji, the Kingdom of Tonga comprises four major island groups. From south to north these are Tongatapu, Ha'apai, Vava'u and the Niuas. A total of 171 mostly raised coral islands (fewer than 40 of them inhabited) cover a total land area of 747 square kilometres. The population of Tonga is estimated to be approximately 106,465, with two thirds of that number living on the main island, Tongatapu. Tongan and English are the official languages, and Tonga boasts a 98.5% literacy rate.

Tonga is unique in that it is the only Polynesian country never to have been colonised and the only surviving monarchy in the Pacific. Vava'u

and Ha'apai cover approximately the same land area (119 and 110 square kilometres respectively). The populations of Vava'u and Ha'apai are around 20,000 and 5,500 respectively. Vava'u is the water sports capital of the Kingdom with tour operators offering sea kayaking, scuba diving, snorkelling, whale watching, sailing and game fishing tours. The Ha'apai Conservation Area is the largest in the Pacific. The above activities are also offered in Ha'apai though on a smaller scale. Ha'apai is also known for its laid-back atmosphere and traditional way of life and history. Ha'apai is where the Mutiny on the Bounty took place.

## **VAVA'U ARCHIPELAGO**

Situated approximately 240 kilometres north of Tongatapu, the Vava'u Island Group is a smattering of 50-odd islands covering an area 23 by 25 kilometres most of which is protected by a semi-circular reef. Although reefs or open water separates the islands, they are not great distances apart. In his book, *The Happy Isles of Oceania: Paddling the Pacific*, author Paul Theroux describes sea kayaking in Vava'u thus: "It was a perfect area for paddling a kayak - perhaps the best in the Pacific. There was a surfy side and a safe side to each island - the lee shores usually had the beaches - all were secluded, all were lovely."

On our Tonga sea kayaking expeditions we strive for a healthy balance between relaxation and adventure. We generally paddle in the mornings leaving the afternoons free for snorkelling amidst colourful coral; exploring lush tropical bush; and, observing the traditional village lifestyle. The pace of life in Vava'u is slow and relaxed - much like it was a century ago.

## **FITNESS AND EXPERIENCE**

Whilst no experience is required for our sea kayak tours, a moderate level of physical fitness and a sense of adventure are important. A typical day entails two to three hours of paddling interspersed with rest stops. The guides endeavour to balance the group by pairing slower paddlers with stronger, more experienced paddlers. However, the slower paddlers always dictate the pace. Paddling into southeasterly trade winds of 12-18 knots requires extra effort and can make the distance we travel feel longer. Those who engage in regular exercise such as walking, cycling or swimming tend to derive more enjoyment from their adventure. Physical conditioning exercises and camping experience are recommended.

## **KAYAK GUIDES**

A minimum of one Tongan professional guide accompanies all of our trips. Depending on the group size, there is an additional guide (guide:guest ratio of 1:6). The guides are responsible for making safety related decisions, coordinating logistics and activities, as well as interpreting the natural and cultural features of Vava'u. Our guides lend invaluable local knowledge and cultural flavour to the experience and also offer outdoor safety, first aid and risk management expertise.

## **SEA KAYAKING**

The concept of sea kayaking is still new to many people, who may have visions of paddling in small unstable kayaks typically used on river trips. In contrast, we use stable, seaworthy double kayaks (Necky Tofino) especially suited to novices and the ocean environment. No previous kayaking experience is required, but a moderate level of fitness is necessary. Non-swimmers are welcome since everyone is required to wear a life vest. The issuing of single kayaks (Necky Arluk III, Quality Kayaks Southern Aurora and Puffin) is at the guides' discretion as this depends not only on the paddler's ability, but also on weather, sea conditions and group composition.

Your guides cover boat handling basics; paddling strokes; use of the foot-controlled rudder; boat entries and exits; and rescue procedures in the protected warm waters of the Port of Refuge. They also cover trip safety and carry a cell phone and flares for emergency use. Sea kayaking is a very safe sport when conducted properly. The expedition always paddles as a group, but there is still ample opportunity for individuals to enjoy their personal space on land if so desired. Certain rules of sea kayaking must be agreed to and observed by all trip participants to ensure everyone's safety and enjoyment. We discuss these rules and why they are necessary as well as contingency plans. We do everything reasonable to minimize the risks of this outdoor pursuit to ensure your safety and expect you to do the same.

## **AIR TRAVEL TO VAVA'U**

The following is a summary of air services to and within Tonga. This is subject to change and should be confirmed by your local travel/booking agent. Tonga's domestic airline, Real Tonga, has an inter-island flight service to Vava'u from the main island of Tongatapu. Alternatively, Fiji Airways offers a direct flight to Vava'u from Nadi, Fiji.

**Air New Zealand:** From Auckland to Tongatapu x 6 flights per week  
(Mon, Tues, Wed, Thurs, Fri, Sat)

**Virgin Australia:** From Auckland to Tongatapu x 2 flights per week  
(Tue, Thu)  
From Sydney to Tongatapu x 4 flights per week  
(Mon, Tue, Wed, Thu)

**Fiji Airways:** From Auckland to Tongatapu x 4 flights per week  
(Mon, Thu, Fri, Sat)  
From Nadi to Tongatapu x 6 flights per week (Mon,  
Tue, Wed, Thu, Fri, Sat)  
From Nadi to Vava'u x 2 flights per week (Wed, Sat)

**Real Tonga:** Between Tongatapu/Vava'u/Ha'apai (Mon-Sat)  
Website: <http://www.realtonga.to>

We recommend a minimum of 2 hours connection time between your international flights and domestic flight within Tonga.

## **SAMPLE ITINERARY**

### **Day 1: Arrival / Orientation**

**Meals:** D (B, L on own).

**Accommodation:** Tongan Beach Resort, 'Utungake Island

A driver awaits your arrival at Lupepau'u Airport in Vava'u and transfers you to your resort accommodation. Today is an opportunity to acclimatize and, for those travellers arriving from far-away places, to recover from jet lag. Relax on the beach and snorkel in the warm water just a few steps from your private fale. A 45-minute orientation talk at 4:00 p.m. is followed by a welcome dinner on the beach at sunset overlooking the picturesque Port of Refuge.

### **Day 2: Kayaking**

**Meals:** B, L, D.

**Accommodation:** Mandala Resort, Fetoko Island.

**Paddling Time:** 2-3 hours.

At 8:45 a.m. you transfer by taxi to The Adventure Centre in Toulavillage, 2.5 km southeast of Neiafu for a safety briefing. Skirting rocky shorelines and coral reefs, the group paddles eastward stopping along the way for a picnic lunch on a sandy beach and snorkelling. Our destination and base for the next 3 days is Mandala Resort, a luxury

eco-resort situated atop private Fetoko Island. Dinner is at the resort's beachfront restaurant.

### **Day 3: Sightseeing / Snorkelling**

**Meals:** B, L, D.

**Accommodation:** Mandala Resort, Fetoko Island.

**Excursion Time:** 3-4 hours.

Hop aboard Mandala's private vessel for a half-day sightseeing boat tour of the scenic Vava'u Islands and snorkelling at Ben's favourite spots. Between July and October you might be fortunate enough to see the humpback whales, which migrate from Antarctica annually to breed, give birth and nurse their newborn calves in Tonga's sheltered warm waters. Today's excursion includes opportunities to go ashore and explore one or more of the many outer islands. Arrive back at Mandala Resort in time for a nap, shower and cocktails at the beach bar.

### **Day 4: Lay Day**

**Meals:** B, L, D

**Accommodation:** Mandala Resort, Fetoko Island

Today, Sunday, is by Tongan law a day of rest and worship. Those who choose to attend a church service at neighbouring Ofu Village will be impressed by the splendour of the Tongan's formal attire and harmonised singing. Tour operators are not permitted to offer guided physical activities anywhere within the Kingdom on a Sunday. However, resort guests may swim, snorkel, kayak and paddle board in the vicinity of Fetoko Island.

### **Day 5: Kayaking**

**Meals:** B, L, D

**Accommodation:** Tongan Beach Resort, 'Utungake Island

**Paddling Time:** 2-3 hours

Our journey ends back in the Port of Refuge, reputedly the most protected and beautiful harbour in the Pacific. Observe coastal village life and waving children from your kayak. Further down the harbour, weave amongst visiting yachts in the marina. Or paddle under the causeway where only shallow draft kayaks may venture. Arriving back at base, The Adventure Centre, you transfer to the Tongan Beach Resort for a shower and farewell dinner.

## **Day 6: Departure**

**Meals:** B, L, D

The trip concludes today with a transfer to Lupepau'u Airport.

## **MEALS ON TOUR**

Three meals per day are included, beginning with dinner on Day 1 and ending with breakfast on Day 6. All are resort restaurant meals with the exception of picnic lunches on days with scheduled activities. At the Tongan Beach Resort the meals are a la Carte and at Mandala Resort set menus that change daily. Tropical fruits, locally grown vegetables and freshly caught fish are used extensively in the cuisine. Please let us know well in advance of the tour of any food allergies and/or dislikes.

## **FOOD AND WATER**

There is a wide selection of eateries in Nuku'alofa and Vava'u. In Nuku'alofa (Tongatapu), we recommend Café Reef, Fakalato Restaurant, Fresh Juice Bar, Friends Café, Little Italy Pizzeria, Lunarossa, Seaview, Taste of India, The Two Sisters and The Waterfront Café. In Neiafu (Vava'u), the Aquarium, Bella Vista, Dancing Rooster, Mango, Tongan Beach Resort, Tropicana and Vava'u Villa.

The tap water in Tonga is treated well water with a high mineral content, giving it a metallic taste. While the tap water is potable, for people unaccustomed to the local water, it is advisable to drink rainwater or bottled water. Both are readily available on request at shops, restaurants and accommodation properties.

The water is untreated rainwater collected from roofs and stored in cement holding tanks. We have never encountered a problem on tour with water-borne diseases or infections.

## **ACCOMMODATION**

Situated on 'Utungake Island at the entrance to the Port of Refuge, the Tongan Beach Resort is located 10km from Neiafu township and 8km from Toulaville Village where Friendly Islands Kayak Company is based. Each South Pacific themed harbour view fale has an ensuite bathroom, air conditioning, electric fan, refrigerator, tea/coffee making facilities and a private veranda. A sandy beach and safe swimming at all tides are just steps away. There is also an outdoor saltwater swimming pool and complimentary sit-on-top kayaks. The beach bar is an especially lovely

spot at sunset. Al fresco dining features local and international cuisine and fresh seafood.

Mandala Resort is situated on private Fetoko Island, just 10-minutes from Neiafu and 25-minutes from the airport. The resort offers 5 unique handcrafted fale including a honeymoon suite and a bespoke tree house. The ensuite fale have memory foam king beds, luxurious bedding, French doors, above-the-water verandas and cozy bay window day-beds. WiFi, kayaks, stand up paddleboards, wet suits, and snorkelling gear are available to guests. The beachside restaurant and bar offer set menu local and international cuisine. This self-sufficient eco resort operates on solar energy and UV light filtered drinking rainwater.

For photos of these two resorts, please refer to our web site <http://www.fikco.com/tours-accommodation.html>.

Package accommodation is based on double occupancy. A single supplement applies to those who prefer a private fale or who cannot be paired with another single participant. If you plan to extend your stay in Tonga please advise us of your accommodation requirements in advance and we will be happy to book on your behalf.

## **CULTURAL SENSITIVITY**

Visitors who observe Tongan codes of behaviour are more likely to be accepted. Respect is extremely important within the Tongan culture. A clean, modest appearance signifies respect for your self and for others. Women are advised to dress conservatively (i.e. high necklines, covered shoulders, loose skirts, dresses or slacks) in the villages. Low-cut tops, sheer and or tight clothing should be avoided. Swimsuits are acceptable on the beach, but covering up with a *lava-lava* (wrap-around cloth) is a polite gesture to approaching villagers. Men should wear long shorts in the daytime and long pants or a *lava-lava* in the evening. Men are required by law to wear a shirt in public except when on the beach. Footwear is removed before entering a Tongan *fale* (home).

It is advisable to maintain a low profile until outside village areas, especially on Sunday when physical activity, noise and fishing are prohibited.

## **ENVIRONMENTAL RESPONSIBILITY**

In an effort to preserve Tonga's natural environment, Friendly Islands Kayak Company strives to promote environmental sensitivity and minimize our impact on the marine and terrestrial environment. To this end, your guides impart our company's minimum impact guidelines with respect to waste disposal and conservation of reefs, marine life, flora and fauna. We carry out all non-decomposable rubbish and, space in the kayaks permitting, other people's rubbish as well. Snorkellers are briefed on correct use of their fins and the importance of not touching the fragile reefs.

## **CLIMATE**

The climate of Tonga is very pleasant, being slightly cooler and less humid than most tropical areas. From June to November temperatures range from 22° to 30°C; the mean humidity hovers around 74%; and the south- easterly trade winds average 12-18 knots - ideal weather for paddling and camping.

During the wetter summer months (December to May) the weather is hotter (25-32 degrees C), more humid and changeable with an increased risk of tropical cyclones. Most cyclones either brush past Tonga leaving little or no damage or miss Tonga altogether.

## **TIME AND COMMUNICATION**

Tonga is 12 hours ahead of Greenwich Mean Time. International phone calls may be placed from Tonga Telecommunications adjacent to the post office in Neiafu where 'phone cards may also be purchased. There are currently two cell phone networks in Tonga: Digicel and Vodafone. You will need to confirm with your cell phone provider whether you will be able to use your phone in Tonga.

## **CURRENCY EXCHANGE**

The national currency of Tonga is the pa'anga (currency code TOP) divided into 100 seniti. Check for exchange rates either online [www.xe.com](http://www.xe.com) or with your bank. If you have not already exchanged your money by the time you arrive in Vava'u, you can do so Monday to Friday 9:00a.m. to 4:00p.m. at the ANZ Bank, Westpac Bank of Tonga, Malaysian Banking Finance (MBf) or Western Union in Neiafu, Vava'u. On Saturday, Westpac Bank of Tonga is open from 8:00 to 11:00 a.m. and Western Union from 9:00a.m. to 11:30a.m. ANZ and Westpac Bank of Tonga have 24-hour ATM machines with Cirrus, MasterCard and Visa

functions. The maximum withdrawal amount from ATMs is TOP\$1,000. The larger accommodation properties, tour operators and restaurants accept MasterCard and VISA. A 4.5% - 5% credit card surcharge usually applies. Most other businesses in Tonga accept cash (TOP\$) only.

## **BUDGETTING**

Consider bringing TOP\$50-\$100 in small denominations on the kayak tour for purchasing handicrafts direct from the villagers if the opportunity arises. Mandala Resort accepts MasterCard and VISA as payment for beverages. Budget TOP\$100-\$125 pa'anga per day for meals (not including alcohol) off tour and for taxis in the capital, Nuku'alofa and Neiafu.

## **PASSPORTS**

Your passport must be valid for at least 6 months from the date of entry to the Kingdom. On arrival you must present an onward ticket in order to be granted a 30-day visitor visa.

## **VISAS**

You do not need a visa prior to arrival if you are a citizen of the following countries:

Australia, Austria, Barbados, Belgium, Brazil, Brunei Darussalam, Bulgaria, Canada, Cook Islands, Cyprus, Czech Republic, Denmark, Dominican Republic, Estonia, Federated States of Micronesia, Fiji, Finland, France, French Polynesia (New Caledonia, Tahiti, Wallis & Futuna), Germany, Greece, Hungary, Ireland, Italy, Japan, Kirabati, Latvia, Lithuania, Luxembourg, Malaysia, Malta, Marshall Islands, Monaco, Nauru, Netherlands, New Zealand, Niue, Norway, Palau, Papua New Guinea, Poland, Portugal, Romania, Russia, Samoa, Seychelles, Singapore, Solomon Islands, Slovakia, Slovenia, Spain, St Kitts & Nevis, St Lucia, St Vincent & the Grenadines, Sweden, Switzerland, The Bahamas, Turkey, Tuvalu, Ukraine, United Kingdom, United States of America, Vanuatu.

All other nationalities require a visa prior to arrival. This can be obtained by contacting the Immigration Division, Ministry of Foreign Affairs of Tonga: [visatonga@gmail.com](mailto:visatonga@gmail.com). You may be able to extend your stay for up to 6 months if you are able to provide evidence of sufficient funds.

## **AIRPORT TAXES, EXCESS BAGGAGE FEES & SHUTTLES**

Airport taxes and excess baggage fees are your responsibility and are not included in the trip cost. Departure tax is included in the cost of all air tickets.

The maximum baggage allowance for inter-island flights within Tonga is 23 kg for passengers holding international tickets valid within 24 hours of travel. Excess luggage between Tongatapu and Vava'u up to 5kg is subject to a surcharge of TOP\$10 minimum and T\$4.50 per additional kg and may have to travel unaccompanied. Please refer to Real Tonga's website [www.realtonga.to](http://www.realtonga.to) for excess baggage charges on other inter-island routes (e.g. between Tongatapu and Ha'apai and between Ha'apai and Vava'u).

The waiting areas at the domestic and international terminals in Tonga can be breezy and cool particularly at nighttime so have a fleece and or windbreaker handy (i.e. in your carry-on luggage). While security guards patrol these waiting areas, never leave luggage unattended.

Local taxis operate a shuttle service between the international and domestic terminals in Tongatapu for every inbound and outbound international flight (including those that arrive/depart at night or in the early hours of the morning). A one-way taxi fare is approximately T\$10 pa'anga per person.

## **TIPPING**

Tipping is not customary in Tonga, but is not considered offensive either. In fact, the local people graciously accept tips. A guideline for tipping guides would be TOP\$4 to \$5 per day per guide.

## **GIFTS**

Tongans are exceptionally generous, and gift giving is a central feature of their culture. If you wish, bring a few small gifts such as T-shirts, postcards, photos, lapel pins, hair ties, hats, watches, yoyos, washable tattoos, kites, lighters and pocket-sized games. Since educational resources are in short supply in the outer island schools, the children and teachers also greatly appreciate receiving pens, pencils, stationary and primary level books.

## **SECURITY**

Theft is uncommon in Tonga. However, in a culture where "what's mine is yours" and items are "borrowed" indefinitely, unattended personal belongings and valuables are at risk. We recommend you bring your passport and airline tickets in a dry bag on the kayak trip so that, in the unlikely event of evacuation, your guides can readily access these documents.

## **MEDICAL MATTERS**

### ***Medical Forms***

Every trip participant must provide an accurately completed medical form. Participants aged 65 years and over must also provide a medical certificate.

### ***Vaccinations***

No statutory vaccinations are required for entry into Tonga. However, we require every participant to have a current tetanus vaccination and recommend vaccinations against hepatitis and typhoid.

### ***Dengue Fever & Zika Virus***

Dengue fever outbreaks can occur during the summer months (December-May) when the weather is hot and humid and when there is a high prevalence of mosquitoes. Zika virus is also present in Tonga. The symptoms of Zika virus are similar to those of Dengue fever and the same protection measures apply. Pregnant women should take extra care to protect themselves from mosquito bites. So long as our guests take sensible precautions the risk of exposure is minimal. These include regular applications of insect repellent and, where possible, avoiding sheltered areas outdoors and dark corners indoors. Other precautions include covering up as much as possible e.g. wearing long sleeved tops, socks, trousers etc. Our tents and the rooms at our preferred accommodation properties all have mosquito screening. Our guides select breezy campsites to keep the mosquitoes at bay.

### ***Medication***

Please advise us of any medication you are taking and any possible side effects. Bring an adequate supply of medication, as certain drugs are difficult to obtain in Tonga. Also consider giving half to your trip leader for safekeeping in case your supply gets lost or wet. Most paddlers are not troubled by seasickness, but if it is of concern to you

your doctor can recommend medication to help. Be sure to let us know if seasickness is a problem for you.

### ***Dental***

As Tonga's dental facilities are basic it is advisable to have a dental check-up prior to departing your country of origin.

### ***Hospitals***

Vaiola Hospital in Tongatapu and Prince Wellington Ngu Hospital in Neiafu, Vava'u are experienced with cuts, fractures, and tropical disorders. For most other conditions it is advisable to seek diagnosis and treatment in your own country. Ensure that your travel insurance policy includes comprehensive medical cover including evacuation insurance.

### ***Medical Supplies***

Although your guides will be carrying a comprehensive first aid kit, all tour participants are encouraged to bring a basic personal first aid kit including the following items: :

- Medication (including pain relief & preventative drugs such as a mild anti-nausea drug)
- Antiseptic swabs and cream
- Anti-histamine cream (for insect bites)
- Antibiotic cream or powder (powder is best in the humid tropical climate)
- Fabric plasters (more waterproof than plastic plasters)
- Lip sunscreen
- General sunscreen (water resistant at least SPF15)
- Insect repellent (DEET is the most effective)

## **PHOTOGRAPHY**

Photographic opportunities abound in Tonga! Tongan people are very photogenic and enjoy having their photo taken except when they are eating. Asking their permission first is a polite gesture. A zoom lens is handy especially for photographing whales. However, bear in mind that the humidity and salt water can damage camera lenses and electronics. For this reason, some prefer to leave their expensive camera at home and bring an inexpensive disposable or waterproof camera instead. If you do decide to bring an expensive camera, store it in a dry bag or waterproof case with silicon packs and insure your camera.

## GEAR AND CLOTHING

Large dry bags, duffel bags and backpacks cannot be accommodated in the kayak hatches. Please bring no more than 2 medium sized (20L-25L) dry bags per person - one for clothing; the other for miscellaneous items - plus one small (10L) dry bag per person for items you need to access in the cockpit (e.g. wallet, documents, sun screen etc.). A mesh bag containing your snorkelling gear is additional to the above items. Nylon stuff sacs lined with heavy-duty rubbish bags are a more affordable option if you do not already have dry bags. However, a dry bag for the cockpit is essential. Camera and optical equipment should be waterproofed and insured.

Quick-dry clothing is recommended for Tonga's warm tropical climate. Long-sleeved shirts with a collar offer good sun protection. *Lava-lavas* (2 metre wrap-around cloth) may be purchased in Tonga. It is a good idea to bring along two *lava-lavas*, one for wearing over shorts or a swimsuit when entering villages and a clean one for other occasions.

If you have any questions about clothing or equipment, consult your local canoe or outdoor equipment retailer or contact us. Any excess baggage can be left at your own risk at our base, which is unoccupied overnight.

A personal equipment list of recommended and optional items with check boxes follows on the next page.

## **ITINERARY CHANGES AND/OR DELAYS**

It is possible that route or itinerary changes and/or delays may become

necessary for reasons of safety or enhancing the quality of the trip. These disruptions could be due to inclement weather, acts of God, delayed transport, political or cultural considerations, government restrictions, participants' limitations, or any other cause. In the event we are unable to paddle, we will endeavour to offer alternate activities (e.g. snorkelling, cycling, bush walks, land tours, village tours).

The trip participant shall be responsible for any additional expenses such as accommodation, meals, prepaid airline tickets, fees for visas, etc. in connection with changes and/or delays to a route or itinerary.

If possible, ensure some degree of flexibility in your travel plans. A sense of adventure and tolerance for the unexpected are essential attributes when visiting developing nations such as Tonga where "Tonga Time" is synonymous with delays and waiting.

## TRAVEL INSURANCE

Personal travel insurance is not included in the trip cost and is a prerequisite for trip participation. We recommend you purchase a comprehensive policy that includes insurance for flight and trip itinerary changes, delays or cancellations and medical cover including evacuation insurance.

## EMERGENCY CONTACTS & DELAYS EN ROUTE

In the event of an emergency within Tonga or you are delayed en route, contact Friendly Islands Kayak Company on the following mobile numbers:

Tonga Office: +676 874 8506
